FOREWORD

The information and records contained in this publication, and other volumes which we will publish were gathered by members of the Noble County Genealogical Society, Inc. in the summers of 1980-1983 in a grave-to-grave inventory of all known burial grounds in Noble County.

A dilligent effort was made to record the images and lettering as seen on the various grave markers, but the Society admits the possibility of errors and misinterpretations that may have been inadvertently made.

Noble County was organized in 1836 and burials before that date are indeed rare, if at all in existance.

Copies of this publication may be secured while the supply lasts at $20.00 each at the Society's address, 109 N. York St., Albion, Indiana 46701 or by U.S. mail for $21.50.

Note:

Township maps published in 1874 show a mark signifying a cemetery in Section 6. We were unable to identify the exact location and have no information on possible burials. Maps published in 1906 no longer show the cemetery marking.

THE "OLD" CEMETERY - KENDALLVILLE, IN.

The "Old Cemetery", located in a small corner of Northwest Kendallville is difficult to locate but is rich in the history of early days in the community. In driving down the street it is not visible. It is West of the Kendallville Foundry and Quick Tanks. The firms have equipment and supplies right up to the edge of the cemetery and machinery right at the gate. If you walk back the foundry drive and follow it to the end you can see the cemetery.

Many graves no longer have stones and many are broken and turned over. Some are eroded by time and weather and the writing is no longer readable. An effort was made to secure an up-to-date recording of the stones standing. After this effort, it was determined to combine the information of three sources -- The D.A.R. Cemetery Records, the Cemetery record of 1955, done by Mrs. H. G. Misselhorn for the Bay View Club and our current recording -- this will give the most complete information possible.

The land for this cemetery was given by John Sawyer, an early settler, when a neighbor's child died and there was no place to bury him. Originally there were five acres, however, it is much reduced in size today.
You enter by a small gate in the Northeast corner of the cemetery. In front of the gate are the two graves of the sons of Jacob Couts, one dying in 1866 and the other in 1874. His wife, Viola, is buried just beyond. At the left of the gate is the grave of Arilla A. Waldron, wife of Clark Sheffer. South of that is the grave of Matthew Mott for whom a street in Kendallville is named.
In this area are the graves of the Bixler family.

Now for a listing of the stones by rows. Starting at the West edge and recording from North to South.

Row #1

WORTINGER	John	Born July 19, 1843. Died Apr. 17, 1878 Age 34 yrs., 8 mos., 18 da.

"	Frances, wife of J. Anderson	Died Feb. 8, 1881 Age 84 yrs., 10 mos., 4 da.
"	Umbetta, dau. of J. Anderson	Died Dec. 4, 1881 Age 15 yrs., 9 da.

The Anderson lot contains the graves of two Negro families in Kendallville -- well respected -- and the wife of one was part Pottowatomi Indian and part Negro. She was a very intelligent and bright woman. Her children were bright and smart and stood well above many of the white students.

McGREGOR Martha F. BAKER, wife of R. P. McGregor Died June 16, 1866
Age 19 yrs., 8 mos.

(On the West side of the cemetery, at the South end of Rows #1 and #2 is quite a vacant space and we learned that when they were constructing the G. R. & I. Railroad tracks (just to the West of the cemetery) several workers were either killed in accidents or by disease and these men were buried in this section of the cemetery without any grave markers.)

Row #3

After years of neglect, this "Old Cemetery" was cleaned up and fenced in by the combined efforts of many people. Mr. Henry Hanes made the posts which stand at each side of the gate at the Northeast entrance to the cemetery. There is a bronze plaque on each - one donated by the City of Kendallville and the other by the Frances Dingman Chapter D.A.R., AND THEY WERE DEDICATED ON Memorial Day, 1937 by Mayor Carteaux.

Lake View Cemetery is located in Wayne Township, Noble County, In., a short distance Northeast of Kendallville, approximately 1/2 mile North of U.S. 6 on Riley Road. The original section of Lake View is located on the East side of Riley Road and a newer section of the cemetery is located on the West side of Riley Road.

VERY EARLY HISTORY OF LAKE VIEW CEMETERY, KENDALLVILLE, IN.

TO THE LOT OWNERS OF LAKE VIEW CEMETERY, KENDALLVILLE, INDIANA 1901.

Kendallville and vicinity buried its dead prior to 1868 in what is now called the "Old graveyard" in the northwest corner of the new city corporation. This yard was started when the country was new, on the lands of John Sawyer, and interments were made there as early as 1837 and 1838.

During the early sixties a new location began to be talked about. Bixler Lake, on the east of town (always a beautiful sheet of water) attracted the attention of the late Hon. William Mitchell to its banks as a suitable place for a new cemetery and some steps were taken in that direction. This location was viewed and talked over by him, and he even went so far as to bury his own dead in the new grounds in the winter of 1864. He dying in 1865 was also buried on the banks of Bixler Lake. These interments were afterward removed to Lake View Cemetery.

Later on it became evident to Mr. Mitchell that the location on the banks of Bixler Lake would be too near the town and he had selected the present site of Lake View Cemetery on his own lands as the most suitable place to start a new cemetery. Nature has done much for these grounds; the universal opinion is praise. Before Mr. Mitchell's plans could be carried out, his death occurred in the city of Macon, Georgia, leaving to others the execution of his desires. The question of a new cemetery was being freely discussed by the people, but there was no money to start one. As the outcome of this talk a concert was held in Mitchell's Hall, the proceeds of which were to be used for a cemetery fund. The Treasurer's books show that on the 29th day of April, 1867, he received from the said concert $86.73. This was the first money and as yet no legal organization.

On the 30th day of October, 1867, Articles of Association were entered into under the name of "The Lake View Cemetery" and signed by J. A. Mitchell, F. Taber, George A. Mitchell, G. Erickson, William W. Hildreth, J. S. Brillhart, John Mitchell, George Aichele and A. A. Chapin.

Article 5 says the first board of trustees shall be: John Mitchell, Gunder Erickson, Freeman Taber, George Aichele and William W. Hildreth. Nov. 2, 1967 these above named trustees met and organized by electing Gunder Erickson, president; John Mitchell, treasurer and Augustus A. Chapin, secretary.

Nov. 20, 1867, the trustees made an order to pay John Doswell $5 per day for ten days services in laying out part of the grounds in burial lots, roadways and walks. This was the first money paid out and it was money well spent. Mr. Doswell was a landscape engineer of large experience. He was then the superintendent of Lindenwood cemetery at Fort Wayne and held that office from that time until his death in October, 1900. The first interment in the new grounds was that of Mr. D. R. Daniels in January, 1868; later his remains were removed to Medina, Mich.

On the 8th day of April, 1868, John Mitchell and Saphronia J. Mitchell, husband and wife, made a donation by deed to Lake View Cemetery of 24.81 acres of land, this being part of the plan when the Articles of Association were entered into. The above deed was recorded Sept. 3, 1869 in Deed Record Book No. 28, page 464, of Noble County, Indiana. Among the several conditions in this deed is the following: "That from time to time burial lots shall be laid out and sold so as to realize the most money and the money to be used in ornamenting, improving and maintaining of said cemeter."

At this time the grounds were in a cultivated field and woodland, surrounded by an old and poor rail fence. Up to this time the legal organization were perfected and the trustees are in possession of a deed of the land.

A few sections laid out in burial lots. The trustees find they need money to make further improvements, such as laying out more grounds, grading and gravelling roads and walks, trees and shrubbery to be planted, new fences built and many other items of expense necessary to improve the grounds. The writer furnished this money to an amount of over $1500 to make these improvements and which was all repaid from sales of burial lots. Here I desire to say that in looking back thirty-four years I want to record a word of honor to the momory of Dr. Gunder Erickson in connection with his part of this work; his plans and ideas were carried out. They were wise and very helpful to his associates (and by this I do not detract one word from others, they were each one loyal to their trust), but Erickson and the writer were thrown together more because of their offices, he as president and I as treasurer. I relied so much on his advice and counsel.

At a Board of Trustees' meeting held June 7, 1868, it was moved that the agreement made between the trustees of the cemetery and the trustees of the German Evangelical Lutheran St. John's Church of Kendallville, Indiana, dated April 15, 1868, appropriating Section B and part of Section C of the grounds, deeded April 8, 1868, by John Mitchell and wife to this corporation for the exclusive purpose of burial, by the said German Evangelical Lutheran St. John's church, was ratified and approved in open board by the following vote: Yeas, Erickson, Aichele and Mitchell.

November, 1871, Philander C. Isbell was elected trustee in place of William W. Hildreth, who had removed from Kendallville. On the 26th day of June, 1874, the trustees appointed Philander C. Isbell to the office of superintendent of the cemetery grounds and fixed his compensation for such services at five per cent, on sales of all burial lots sold by him, and fifty cents each for permits to bury in potter's field; also that Mr. Isbell be allowed the sum of $50 as compensation for services heretofore rendered about cemetery property.

At a board meeting on July 3, 1875, P. D. Isbell was allowed a commission of ten per cent, on future sales of lots made by him.

The trustees met on May 7, 1877; present, P. C. Isbell, Freeman Taber, George Aichele, John Mitchell, treasurer. The president, Dr. G. Erickson, having died since last meeting, Freeman Taber was elected trustee pro tem. James R. Bunyan waselected trustee in place of Dr. G. Erickson, deceased, and also elected president of the board.

At a meeting of the trustees held May 5, 1879, among other business, "the treasurer was directed to loan from time to time such funds of the association as should not be needed for durrent expenses, upon the best terms obtainable and upon such security as he may deem for the safety of the funds so loaned."

At this same meeting the following record was made: It appearing that it was necessary to change the designation of a part of the grounds described in the agreement of April 15, 1868, made with the trustees of the German Evangelical Lutheran St. John's Church of Kendallville, in order to prevent confusion. On motion the following agreement was endorsed upon said contract and executed by the parties thereto to-wit:

WHEREAS, in the within contract executed April 15, 1868, a part of the grounds granted for burial purposes is designated as part of Section C and there is another part of the cemetery grounds laid out and sold as Section C;. a confusion may arise, it is understood that the additional ground designated as Section C in the within agreement is intended to mean that part of the grounds in the original plat laying west of Section B and south of the main entrance, designated as potter's field, and that permits for burial therein shall be described as in Section B or the addition to B.

Witness the parties this fifth day of May, 1879, and the seal of said association.

Geo. Aichele)

A.C.F. Wichman) Trustees of the
Louis Beckman) German Evangelical
Lutheran St. John's
church, Kendallville, Ind.

On Feb. 1881, the trustees met and elected Louis Beckman trustee, to take the place of George Aichele, deceased.

On the 18th day of January, 1883 John Mitchell entered into a contract with August Detering to buy from said Detering all the land laying east of the cemetery grounds and up to the eighth line running north and south, consideration to be $500. This purchase on the part of Mitchell was for the cemetery. Later on, in June, 1884, August Detering made a deed of above lands to Lake View Cemetery and was paid the balance due him.

On the 11th of March, 1884, the trustees of the cemetery bought from Frederick Kiel and wife a strip of ground on the east side of the wagon road for a sidewalk along their farm; consideration $150. On the 13th day of March, 1884, the trustees received a deed from John Mitchell and wife for a strip of land for a sidewalk from Kiel's land to the cemetery. This was a donation.

On May 4, 1885, at a meeting of the board of trustees, A. A. Chapin presented his resignation as secretary, to take effect after the adjournment of this meeting. Mr. Chapin had acted as secretary of the trustees of Lake View cemetery from its organization in 1867. Robert P. Barr was elected secretary at this meeting in place of A. A. Chapin, resigned.

On June 2, 1886, at a meeting of the lot owners of the cemetery the following persons were elected as trustees; John Mitchell, Joseph S. Conlogue, Louis Beckman, James R. Bunyan and P. C. Isbell.

On October 23, 1886, a communication from Nelson Post 64, signed by Norman Teal, commander; Charles Breidert, quarter-master; A. F. VanNiman, adjutant; Woman's Relief Corps, Mrs. Hattie A. Floyd, Mrs. Thomas Cox, was read, requesting that a deed for Lot #14, in Section D of Lake View cemetery be made to Nelson Post No. 64, in which to bury their dead. On motion of John Mitchell, the president of the board was instructed to execute this deed as above.

Since the death of Mr. P. C. Isbell, superintendent of Lake View cemetery, which occurred in December, 1894, there have been no commissions paid for selling lots. No one in connection with the cemetery is paid any salary, excepting the sexton and a man to assist him at times.

In order to give the lot owners of the cemetery the financial condition at this time, I have copied from the reports of the treasurer as below. The cemetery started by borrowing money (no funds to draw from for expenses). This was all repaid as before stated by sales of lots. As the sales of these lots go on, our capital is reduced that much, but if the expense is kept down, the assets should increase. The writer has met with many schemes to spend money, without any revenue coming in for the money paid out. To some it may seem that the price of lots is high, but the trustees realize the fact that with the rate of interest being reduced on money loaned by the treasurer and the difficulty of getting money invested and the sales of lots being less than formerly, that it is necessary to lay the foundation for the future that the cemetery may be assured a perpetuity. In the reports of assets below, no account is taken of assets in shape of burial lots, nor of lands not laid out in lots. The assets reported consist of notes given for lots sold and for money loaned and cash on hand at date of report.

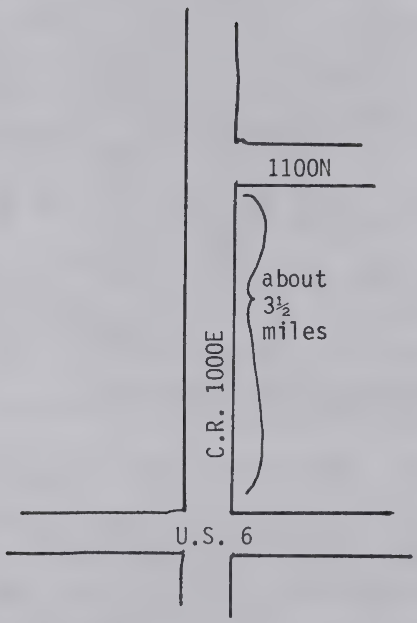
WESTON CEMETERY



Weston Cemetery was named for Thomas B. Weston who came from a pioneer family whose ancestry can be traced back to the Mayflower and England. In 1842 he came to Indiana from New York and settled here in Wayne Township.

A few years after he settled on his land, he donated to the public a piece of ground for a cemetery---an exceedingly pleasant location on what is known as the "Big Hill," that part of the farm passing a few years later into the hands of his son-in-law, John Shifaly, who donated ground for a church, which was named Weston Chapel in honor of the memory of the old pioneer.

Weston Cemetery takes its name from the fact it was located on a farm owned by Mr. Weston, however, the old residents of the area call the cemetery SAND HILL CEMETERY due to the fact it is located on a mound of sand, higher than the surrounding area. The cemetery is located Northeast of Kendallville approximately 4 miles. It is not visible from the road, and is almost hidden by the surrounding woods and is located on the hill's summit. The graveyard shows evidence of human visitors, but not ones paying respect to the dead. Many stones have been overturned and broken. Those still standing are badly defaced by erosion of time and weather. It was felt the best record of burials in this old cemetery would be the D.A.R. Research and records.

SPECIAL NOTE

Pages 254 through 270 are mixed up - just reversed. Here is what happened. We finished editing and correcting the typed pages. I then ran off copies of those pages, which made the first one copied, lying in the tray on the bottom -- the others piled on top -- in reverse order. Then not thinking, I put them with the rest of the pages and they were numbered and indexed.

Index page numbers do match the pages in this book. However if you want to follow up and down the rows at the cemetery you must, after page 253 go to page 270, then go backwards to page 254. Then go to page 271 and continue. The rest of the book is in order. Sorry about all this. Even with the errors it is still better than we have had since 1933.

ST. GASPAR CEMETERY, Rome City ORANGE TWP.

Originally KNEIPP SPRINGS CEMETERY

In 1901 the Sisters of the Precious Blood purchased the Kneipp Springs Health Spa, which had been founded in 1895 by Dr. W. Geiermann. The name, Kneipp Sanitarium, its original name commemorated the Monsignor Sebastian Kneipp who was the originator of a system of hydrotherapeutics. Kneipp Springs encompassed 196.89 acres and was greatly improved by the Sisters over the years. After 75 years of dedicated service, the Sisters of the Precious Blood sold Kneipp Springs in 1976. The cemetery was not sold with the rest of the property. It is now being cared for by ST. GASPAR PARISH.

The records show the first burial to be that of JAMES LOUIS, age 35, a vagabond. James Louis was injured in a wreck on the lake shore on July 15, 1911 and died July 19, 1911 following an operation.

On August 23, 1916 the cemetery was consecrated by Rt. Rev. Bishop Alerding.

March 9, 1936 - State officials conferred with the Sisters for a right of way for running a road through their property. This would include the cemetery.

Settlement with the State on October 12, 1936, allowed the right of way to the State Highway.

November 19, 1936. Work began of exhuming the bodies in the original cemetery. There were 36 sisters and 7 lay people buried. The remains of each was taken from the grave and placed in a box and transferred to the new plot where they were again interred.

December 5, 1936. The large stone Cross which had been donated by Mr. Christopher Schunch of Celina for the first cemetery was removed and placed in its new location in the new cemetery.

The exact site of the original cemetery cannot be pinpointed today. The new and present cemetery is located on a hill west of the convent and is well preserved. Today the St. Gaspar Parish uses the cemetery and maintains it.

SPECIAL NOTE

Several days after the final indexing of this volume of the cemetery records we received these corrected copies of the Kneipp Springs Cemetery. It was too late to add them to the index, however we are adding them here at the end, immediately after the indexed pages of this cemetery. I hope it is not too confusing for you.
